

## Copyright Notice

Our institution has recently become aware of certain unauthorized uses of films, including public screenings and other forms of exhibition or exploitation conducted without proper authorization. We therefore issue the following notice:

Most films listed in our [line-up catalogue](#) are subject to copyright and related rights owned by Taiwan Film and Audiovisual Institute. Certain titles, however, have been licensed to regional sales agents or distributors for rights management and distribution purposes.

Any public screening, reproduction, distribution, transmission, adaptation, or other use not directly authorized by our institution or the legitimate rights holder may constitute unauthorized exploitation and infringement of copyright and related rights.

For any inquiries regarding rights status or licensing procedures, please contact TFAI licensing department at [cooper@tfai.org.tw](mailto:cooper@tfai.org.tw).
